Dear Mr. O'Dell,

This pre-application notification letter refers to the Certificate Application on the above captioned proposed project. In accordance with Ohio Administrative Code § 4906-5-08(A)(1-2), please be advised that the public information meeting for the Clinic Hospital Substation Project ("Project") will take place on May 17, 2011 from 6:30-9:00pm at John Hay High School. John Hay High School is located at 2075 Stokes Blvd. Cleveland, OH 44106.

The Project contains a 138 kV to 36 kV substation that will supply a greater load capacity for the Cleveland Clinic Hospital Main Campus. The proposed Project sites are both current parking lots located at the southeast corner of the intersection of Stokes Blvd. and Cedar Ave. and the northeast corner of E. 105 St. and Cedar Ave.. The proposed configuration of the substation will use a space approximately 450 feet by 300 feet.

If there are any questions concerning this matter, please contact me at (330) 384-5955.

Sincerely,

Jessica Thacker  
Associate Engineer  
Energy Delivery Transmission and  
Substation Design
