Customer Notice

XO Customers (Category 1 Customers):

Ohio De-tariffing

Beginning on May 19, 2011 the prices, service descriptions, and the terms and conditions for services other than a primary line, if your primary line provided by XO Communications is a Small Business Basic Business Line, will no longer be on file at the Public Utilities Commission of Ohio. XO Communications Services, Inc. must provide a customer notice at least fifteen (15) days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Since these services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company will control new services or changes in service. For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions. If you have any questions about this matter, please call Customer Care at the toll free number shown on your invoice or visit xo.com.
