Beginning on May 16, 2011, the prices, service descriptions, and the terms and conditions for services other than local flat rate service that you are provided by PAETEC will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

This modification does not automatically result in a change in the prices, terms, or conditions of those services to which you currently subscribe. PAETEC must still provide a customer notice at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Additionally, you will be able to view the company's future service offerings in a price list online at www.paetec.com or you can request a copy of this information by contacting us at the address and phone number listed on your invoice.

Since these services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company will control new services or changes in service. For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

If you have any questions about this matter, please call PAETEC at the toll free number listed on your invoice, or visit us at www.paetec.com. You may also visit the consumer information page on the PUCO's website at puco.ohio.gov for further information.
