ENTRY

The attorney examiner finds:

- (1) Each of the above-captioned applications was filed in accordance with Rule 4901:1-40-04(F), Ohio Administrative Code (O.A.C.), for certification as an Ohio renewable energy resource generating facility as defined in Section 4928.01, Revised Code.
- (2) Pursuant to Rule 4901:1-40-04(F)(2), O.A.C., each application is subject to a 60-day automatic approval process from the date of filing. The rule also provides that the Commission may suspend an application during the 60-day approval period.
- (3) In each case, the applicant has filed a notice to withdraw its application. Accordingly, the attorney examiner finds good cause exists to suspend the 60-day automatic approval process with respect to each application.

It is, therefore,

ORDERED, That the automatic approval process for each captioned application be suspended. It is, further,

ORDERED, That a copy of this entry be served upon all parties of record in each case.
