The attorney examiner finds:

- (1) On February 16, 2010, Christopher Lemke and Toby J. Eichman filed identical complaints against The Toledo Edison Company (TE), stating that complainants both have had difficulty reaching interconnection agreements with TE for wind generators installed at complainants' properties.
- (2) On March 8, 2010, TE filed its answer to these complaints.
- (3) By entry issued May 11, 2011, the case was scheduled for a hearing to commence on May 31, 2011.
- (4) On May 24, 2011, Mr. Eichman and TE filed a joint motion to dismiss with prejudice in Case No. 10-198-EL-CSS stating that all issues giving rise to the complaint have been resolved. On May 25, 2011, Mr. Lemke and TE filed a joint motion to dismiss with

prejudice in Case No. 10-198-EL-CSS stating that all issues giving rise to the complaint have been resolved.

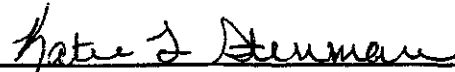

- (5) In light of the filing of the joint motions to dismiss, the attorney examiner finds that the May 31, 2011, hearing should be held in abeyance pending the Commission's consideration of the motions.

It is, therefore,
