Complaint Resolution:

As a matter of good company policy, as well as a permitting condition, please be aware that we want to make our company available to field questions and concerns about the construction process for the Blue Creek Wind Farm.

We will respond to any issue within fifteen (15) days of receiving notice and will work diligently to resolve it. We will also maintain a log of all complaints received, including a summary of actions taken in response. To the extent that entries do not contain personal or confidential information, the log will be available for county and municipal representative review. Each problem will be addressed on a case by case basis. Any complaint submitted will be immediately forwarded to the Ohio Power Siting Board staff.
