ENTRY

The Commission finds:

- (1) On February 16, 2010, Christopher Lemke and Toby J. Eichman filed identical complaints against The Toledo Edison Company (TE), stating that complainants both have had difficulty reaching interconnection agreements with TE for wind generators installed at complainants' properties.
- (2) On March 8, 2010, TE filed its answer to these complaints.
- (3) By entry issued May 11, 2011, the cases were scheduled for a hearing to commence on May 31, 2011.
- (4) On May 24, 2011, Mr. Eichman and TE filed a joint motion to dismiss with prejudice in Case No. 10-198-EL-CSS, stating that all issues giving rise to the complaint have been resolved. On May 25, 2011, Mr. Lemke and TE filed a joint motion to dismiss with

prejudice in Case No. 10-198-EL-CSS, stating that all issues giving rise to the complaint have been resolved.

- (5) The Commission finds that the parties' requests to dismiss the complaints, given that they have reached agreements which resolves the issues raised in the complaint, are reasonable. Accordingly, the requests to dismiss the complaints should be granted with prejudice.

It is, therefore,

ORDERED, That the parties' request to dismiss the complaints with prejudice be granted. It is, further,

ORDERED, That Case Nos. 10-194-EL-CSS and 10-198-EL-CSS be dismissed. It is, further,

ORDERED, That a copy of this entry be served upon all parties of record.
