COMMENT DESCRIPTION:

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.

Technician SM Date Processed JUN 14 2011

AEP should have spent money on making clean energy and an infrastructure that doesn't fail everytime there is a little storm instead of bonuses for the CEO. Vote NO for the proposed increase! Rates are already super high and the amount of profit that AEP is taking in is criminal. How on earth are you justifying these hikes? Wasn't a rate hike just done that was approved by your agency after they posted record profits?????????
