ENTRY ON REHEARING

The Commission finds:

- (1) Ohio Edison Company (OE), The Cleveland Electric Illuminating Company (CEI), and The Toledo Edison Company (TE) (collectively, FirstEnergy or the Companies) are public utilities as defined in Section 4905.02, Revised Code, and, as such, are subject to the jurisdiction of this Commission.
- (2) On January 11, 2011, in the above-captioned cases, FirstEnergy filed an application, pursuant to Section 4928.66(A)(2)(b), Revised Code, to amend its 2010 energy efficiency and peak demand reduction (EE/PDR) benchmarks.
- (3) By Finding and Order issued May 19, 2011, the Commission denied as moot the Companies' application to amend its 2010 EE/PDR benchmarks as to CEI and TE but granted the Companies' application as to OE, contingent upon OE meeting the cumulative energy savings mandated by statute by 2012.
- (4) On June 2, 2011, CEI and TE filed an application for rehearing regarding the Commission's May 19, 2011, Finding and Order. In their application on rehearing, CEI and TE contend that the May 19, 2011, Finding and Order concluding that the requests of CEI and TE were moot was unreasonable and unlawful because it was contrary to law and ignored relevant facts.
- (5) Section 4903.10, Revised Code, states that any party to a Commission proceeding may apply for rehearing with respect to any matters determined by the Commission within 30 days of the entry of the order upon the Commission's journal.

- (6) The Commission grants the application for rehearing filed by CEI and TE. We believe that sufficient reason has been set forth by the parties seeking rehearing to warrant further consideration of the matters specified in the application for rehearing.

It is, therefore,

ORDERED, That the application for rehearing filed by the CEI and TE be granted for further consideration of the matters specified in the application for rehearing. It is, further,

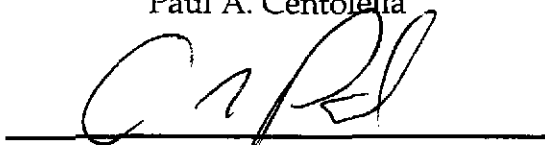

ORDERED, That a copy of this Entry on Rehearing be served upon all interested parties of record.
