RE: PUCO ESP Case#11-3549-EL-SSO

Dear Chairman Snitchler:

Clermont Northeastern Local School District is pleased to support Duke Energy as a business leader in the community. Duke Energy has been a community partner with Clermont Northeastern Local Schools for several years. During that time several volunteer projects have been completed to enhance the appearance of our campus through monetary donations from Duke Energy to purchase materials and Duke employees who volunteered their time to complete the projects.

Duke has been very supportive of our Business Partnership Dinner since its inception in 2007 and recently was the recipient of the 2010 Business Partnership Award. They continue to be supportive of the educational process and in the spring of this year donated money to be used for a scholarship to a graduating senior.

Duke Energy's generous support has truly made a difference in the Clermont Northeastern Local School District.

Sincerely,

Neil Leist  
Superintendent  
Clermont Northeastern Local Schools
