Re: Case Nos. 11-2473-EL-RDR, 89-6003-EL-TRF; 89-6007-EL-TRF;

Dear Ms. McCauley:

Enclosed are five copies of Columbus Southern Power Company's and Ohio Power Company's REVISED compliance tariffs, which are being filed in accordance with the Commission Finding and Order dated June 22, 2011 in Case No. 11-2473-EL-RDR. On June 29, 2011 the Companies filed compliance tariffs, and it was subsequently discovered that the tariff filing inadvertently reflected two errors.

The Companies issued Supplemental workpapers and tariffs in Case No. 11-2473-EL-RDR on June 9, 2011. The red-line and clean tariffs filed in that submission for Ohio Power Company incorrectly stated the GS-2 Subtransmission and Transmission rate at 0.21145 cents/KWH. The correct GS-2 Subtransmission and Transmission rate for Ohio Power Company is 0.24965 cents/KWH. Although the tariff included incorrect rate, the correct rate was included in the Schedule B-3 and C-3 as part of that June 9, 2011 submission.

Additionally, the Companies incorrectly stated on Schedule A1, Page 2 of 2, that the Columbus Southern Power's rate for SBS Backup <100 kW Secondary was \$0.271/kW. The correct SBS Backup <100 kW Secondary rate for Columbus Southern Power is \$0.297. Again this rate was correctly included in the workpapers on WPC-3 Page 1 of 4 filed as part of that June 9, 2011 submission. These workpapers support the correct rate for Columbus Southern Power, and the Company is submitting updated tariffs to reflect the Columbus Southern Power's SBS Backup < 100 kW Secondary rate of \$0.297/kW.

One copy of Columbus Southern Power Company's REVISED tariff filing should be filed in Case No. 89-6003-EL-TRF and one copy of Ohio Power Company's tariff filing should be filed in Case No. 89-6007-EL-TRF. One copy of each Company's tariff filing should be placed in Case No. 11-2473-EL-RDR. Two copies of each

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business. Technician <u>Date Processed</u> 7/8/3-31 Company's tariff filing have been designated for distribution to the Rates and Tariffs, Energy and Water Division of the Commission's Utilities Department.

The Companies will update their tariffs previously filed electronically with the Commission's Docketing Division.

Cordially, ------

Matthew J. Satterwhite Senior Counsel
