COMPLAINT DESCRIPTION:

Not only has Ohio American Water asked for rates increase but I saw where they have sold or are in the process of selling to Aqua Water. does this mean it will go with out lead water line replacements and main water line replacements since another company will be taking over? This is all public record in the City of Tiffin Engineers office if verification is needed. I also wrote a letter to Ralph Baker, EPA in 2010 while I was still PW Supt and again in 2011, I sent 2 letters.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
