RE: Case # 10-0302-EL-CSS

Mr. Price,

Please let this correspondence serve as notification of withdrawal of our complaint with The Cleveland Electric Illuminating Company/First Energy.

After waiting seven (7) months for a settlement conference, and an additional fourteen (14) months for a hearing date, all the while with our doors still closed for business because we have no electricity, we cannot afford legal representation in this matter. The complaint being withdrawn is in reference to our circumstances at the time the complaint was filed and the situation has significantly changed.

With sincere regret,

Kelly A Giegerich

Cc: Ron Young, District 63
