Late Payment Charge

If any portion of the payment is received by the Company after the date due, or if any portion of the payment is received by the Company in funds which are not immediately available upon presentment, then a late payment penalty shall be due to the Company. A late payment charge of 1.5% per month, for bills not paid within 30 days of receipt, is not applicable to subsequent rebilling of any amount to which a late payment charge has already been applied. Late payment charges are to be applied without discrimination.

Deposits

To safeguard its interests, the Company may require the Customer to make a deposit to be held as a guarantee for the payment of charges in accordance Rule 4901:1-5-05 of the Ohio Administrative Code. A deposit may be required if the Customer's financial condition is not acceptable to the Company or is not a matter of general knowledge. A deposit may be required in addition to an advance payment.

Upon discontinuance of service, the Company, within forty-five (45) days, shall automatically refund the Customer's deposit plus accrued interest, or the balance, if any, in excess of the unpaid bills including any penalties assessed for service furnished by the Company.

In addition to refund of deposit after discontinuance of service, the Customer's deposit shall be returned after 12 consecutive months of payment without having had service discontinued for non payment and without having had more than two occasions on which the bill was not paid by the due date.
