The Toledo Edison Company for)
Approval of a New Rider and)
Revision of an Existing Rider.)

ENTRY NUNC PRO TUNC

The Commission finds:

- (1) Ohio Edison Company, The Cleveland Electric Illuminating Company, and The Toledo Edison Company (collectively, the Companies) are public utilities as defined in Section 4905.02, Revised Code, and, as such, are subject to the jurisdiction of this Commission.
- (2) On June 1, 2011, the Companies filed a proposed Residential Electric Heating Recovery Rider in response to and in compliance with the Commission's May 25, 2011, Opinion and Order, which approved, with modifications, the Companies' February 12, 2010, application to provide rate relief to certain all-electric customers. On August 24, 2011, the Commission issued a Finding and Order approving the proposed tariffs.
- (3) Finding (5) on page 2 of the August 24, 2011, Finding and Order incorrectly states the effective date of the new tariffs filed by the Companies. Finding (5) should read as follows:

The tariffs filed June 1, 2011, should be approved.
The tariffs should become effective on a services-rendered basis beginning on September 1, 2011.
- (4) Additionally, the first ordering paragraph on page 2 of the August 24, 2011, Finding and Order incorrectly states the effective date of the new tariffs. The first ordering paragraph should read as follows:

ORDERED, That the proposed tariffs shall be approved and made effective on a services-rendered basis beginning on September 1, 2011.

It is, therefore,

ORDERED, That the Finding and Order of August 24, 2011, be amended, *nunc pro tunc*, to provide for the revised finding and ordering paragraph as set forth above. It is, further,

ORDERED, That a copy of this entry be served upon all parties of record.
