ENTRY

The attorney examiner finds:

- (1) On August 16, 2011, Elbert Stidham (Mr. Stidham) filed a complaint against Duke Energy Ohio, Inc. (Duke). Mr. Stidham alleges that Duke has incorrectly billed him for usage by other customers.
- (2) On September 6, 2011, Duke filed its answer. Duke contends that Mr. Stidham owns rental property that has a master meter for all tenants, rather than separate meters for each tenant. Because of this, Duke adds, it has properly complied with Commission rules, which require the property owner to be responsible for gas and electric accounts when tenants do not have separate meters.
- (3) At this time, the attorney examiner finds that this matter should be scheduled for a settlement conference. The purpose of the settlement conference will be to explore the parties' willingness to negotiate a resolution in lieu of an evidentiary hearing. In accordance with Rule 4901-1-26, Ohio Administrative Code (O.A.C.), any statements made in an attempt to settle this matter without the need for an evidentiary hearing will not generally be admissible to prove liability or invalidity of a claim. An attorney examiner from the Commission's legal department will facilitate the settlement process. However, nothing prohibits either party from initiating settlement negotiations prior to the scheduled settlement conference.
- (4) Accordingly, a settlement conference shall be scheduled for 10:30 A.M. on October 3, 2011, at the Commission offices, 180 East Broad Street, 12th floor, Conference Room 1247, Columbus, Ohio 43215-

3793. The parties should bring with them all documents relevant to this matter. If a settlement is not reached at the conference, the attorney examiner will conduct a discussion of procedural issues. Procedural issues for discussion may include discovery dates, possible stipulations of facts, and potential hearing dates.

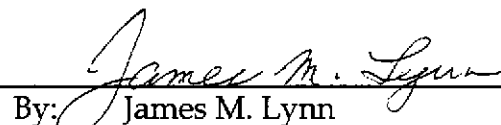

- (5) Pursuant to Rule 4901-1-26(F), O.A.C., the representatives of the public utility shall investigate the issues raised in the complaint prior to the settlement conference and all parties attending the conference shall be prepared to discuss settlement of the issues raised and shall have the requisite authority to settle those issues. In addition, parties attending the settlement conference should bring with them all documents relevant to this matter.
- (6) As is the case in all Commission complaint proceedings, the complainant has the burden of proving the allegations of the complaint. *Grossman v. Public Util. Comm.* (1996), 5 Ohio St.2d 189.

It is, therefore,

ORDERED, That a settlement conference be scheduled for October 3, 2011, at 10:30 A.M. at the Commission offices, 180 East Broad Street, 12th floor, Conference Room 1247, Columbus, Ohio 43215-3793. It is, further,

ORDERED, That a copy of this Entry be served upon all parties of record.
