To Whom It May Concern:

We are in ligation with Windstream, Inc. and we are not providing any dial tone services. Case Number 09-0515-TP-CSS. Windstream have not been working our orders properly or providing proper service this has lead to a great deal of harm and we have chosen not to provide dial tone service until ligation is complete.

Once the process is complete we will file a new tariff and provide service.

Very truly,

Tom Cotton
