- A) The Customer will be liable for damages to the facilities of the Company and for all incidental and consequential damages caused by the negligent or intentional acts or omissions of the Customer, its officers, employees, agents, invitees, or contractors where such acts or omissions are not the direct result of the Company's negligence or intentional misconduct.
- B) To the extent caused by any negligent or intentional act of the Customer as described in (A), preceding, the Customer shall indemnify, defend and hold harmless the Company from and against all claims, actions, damages, liabilities, costs and expenses, including reasonable attorneys' fees, for (1) any loss, destruction or damage to property of any third party, (2) the death of or injury to persons, including, but not limited to, employees or invitees of either party, and (3) any liability incurred by the Company to any third party pursuant to this or any other tariff of the Company, or otherwise, for any interruption of, interference to, or other defect in any service provided by the Company to such third party.

Nothing in this Tariff is intended either to limit or to expand Customer's right to assert any claims against third parties for damages of any nature other than those described in the preceding sentence.
- D) Neither subscriber's landlord nor landlord's officers, agents or employees, the building management or any party in interest to the lease under which subscriber occupies space in the building shall have any liability to subscriber arising from the provision or operation of the services and service-related equipment referred to herein, or the interruption or failure thereof from any cause whatsoever.

September 16, 2011

Dear Customer:

Beginning on September 16, 2011, the prices, service descriptions, and the terms and conditions for services other than a primary line provided by Level 3 Communications, TelCove Operations, Broadwing Communications, and WilTel Communications will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

This modification does not automatically result in a change in the prices, terms, or conditions of those services to which you currently subscribe. Level 3 Communications, TelCove Operations, Broadwing Communications, and WilTel Communications must still provide a customer notice at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services.

Since these services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company will control new services or changes in service. For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

If you have any questions about this matter, please call Level 3 Communications, TelCove Operations, Broadwing Communications, and WilTel Communications at the toll free number, 1-877-2LEVEL3, or visit us at www.level3.com.
