RE: Request for Extension  
Grade Crossing Project/Meridian Road, Youngstown  
Case # 10-945-RR-FED

Dear Administrator:

Youngstown & Austintown Railroad, Inc. requests an additional 30 day extension for the above referenced project for the following reasons:

- 1) Construction halted due to insufficient amount of right-of-way for placement of the signals and disputed property ownership issues, and
- 2) Unforeseen complications with existing underground utilities.

The granting of this requested extension will move the project completion date to October 29, 2011.

Please contact me with any questions or concerns relating to this request.

Sincerely,

Daniel Birrell  
Signal Supervisor  
Ohio Central Railroad Company, Incorporated
