Affected PUCO Map No(s):	I-33
--------------------------	------

County(s):	Columbiana	Township(s):	Wayne
------------	------------	--------------	-------

Reason for Reallocation:	Mr. Steve Knight has requested services to a new home located at 35198 Hull Road, Lisbon, Ohio. The home is located just inside Ohio Power's service territory. However, Carroll Electric Cooperative has an existing three-phase primary line that runs along Hull Road approximately 200 feet from Mr. Knight's new home. There is also an adjacent home (35259 Hull Road) that is currently served by Carroll Electric Cooperative. Mr. Knight has requested that Carroll Electric Cooperative be allowed to provide service to his home. It appears in the best interest of both parties to request a minor change.
