MEMORANDUM IN SUPPORT

Staff requests that the Commission keep both the Report of the Commission's Consultant Regarding FirstEnergy's October 2010 Standard Service Offer Auction and the Notification of CBP Auction Results confidential and that they not be publicly released. This information identifies the details of various bids and parties making the bids in the October, 2010 FirstEnergy auction. This information is highly competitively sensitive. Public disclosure of this information would be highly prejudicial to the bidding parties and to the viability of any future auction in Ohio. Keeping this material confidential is consistent with the Commission's actions in prior auction matters. A redacted version of the Notification of CBP Auction Results has been filed publicly in this docket.

Respectfully submitted,

Thomas W. McNamee
Assistant Attorney General
Public Utilities Section
