RE: **Notice of Withdrawal of Construction Notification**
Case No. 11-4896-EL-BNR Poston-Ross 138kV Line
(Reconductor/Rebuild Project Section 2)

Dear Chairman Snitchler:

AEP Ohio Transmission Company ("Ohio Transco") withdraws its Construction Notification entitled Poston-Ross 138kV Line (Reconductor/Rebuild Project Section 2), as it was inadvertently filed. AEP will re-file Section 2 of the Poston-Ross 138kV Line project under a new case number. Please note that due to the fact that the Section 2 filing was so large, it was electronically filed in three parts. This notice of withdrawal pertains to all three parts that were filed as Poston-Ross 138kv Line (Reconductor/Rebuild Project Section 2). Please accept my apologies for the confusion.

Should you have any questions, please do not hesitate to contact me.

Respectfully Submitted,

//s/ Erin C. Miller
