COMMENT DESCRIPTION:

AEP wants to raise the distribution by 17%. I am 71 yrs. old and on Medicare. My wife is still working, just so we can pay all of our bills. When she retires, than we will really have a hard time to make ends meet.

This increase is not necessary. Who will keep us from freezing in the winter and cool in the summer.

Please do not let AEP raise the distribution cost.

Sincerely,

Kenneth Grothous
