ENTRY NUNC PRO TUNC

The attorney examiner finds:

- (1) By entries issued on October 7, October 24, and November 18, 2011, the attorney examiner has made various rulings on certain documents subject to a public records request and identified in an October 19, 2011, supplemental joint motion for protective order in this matter.
- (2) It has come to the attorney examiner's attention that a case has been inadvertently left off of the listing of cases in the case caption of the three entries identified above. Accordingly, the attorney examiner finds that the case captions of the October 7, October 24, and November 18, 2011, entries in this matter should be modified nunc pro tunc to include Case No. 10-2929-EL-UNC, *In the Matter of the Commission Review of the Capacity Charges of Ohio Power Company and Columbus Southern Power Company*. In all other respects, the identified entries shall remain in full force and effect.

It is, therefore,

ORDERED, That the determination in finding 2 be complied with. It is, further,

ORDERED, That a copy of this entry be served upon all parties of record in these matters.
