To Whom It May Concern,

Please note in our file that Sonny-S Boat Line, Inc. conducted no water transportation business in 2010. The vessel that we had been leasing has been leased to Island Service Company dba The Boardwalk of Put-in-Bay Ohio. The vessel lease is good until the end of 2015 and will be revisited at that time. In the interim Sonny-S Boat Line, Inc. will remain a viable Ohio corporation but will not be engaged in the water transportation business and should no longer be subject to water transportation taxes.

If you have any questions about any of this please feel free to contact me. This letter has been written at the request of a Mr. Keith Smith at the Ohio Department of Taxation and is intended to inform the Ohio Department of Taxation that Sonny-S Boat Line, Inc. is not engaged in the water transportation industry for the foreseeable future. Thank you for your time in this matter.

Sincerely,

John Schneider  
President  
Sonny-S Boat Line
