Re: Case No. 11-6011-GA-WVR
Ohio School Consortium

Dear Ms. McCauley:

On page 2 of the December 21, 2011 "Request for Clarification or in the Alternative Waiver", the Ohio School Consortium made the following statement: "The Commission, as of this writing, has not accepted the tariff yet that has the new provision requiring standby service for all customers with usage under 6,000 Mcf except for public schools." That statement was incorrect. The statement on page 2 should have been as follows: "The Commission, as of this writing, has approved the tariff but such tariff has not yet gone into effect that has the new provision requiring Standby Service for all customers with usage under 6,000 Mcf except for public schools."

Please accept this correction and accept our apology for any confusion our error may have caused.

Sincerely yours,

Stephen M. Howard
