Re: **OneLink Communications, Inc.**
Case No. 11-5172 - TP-ATA

Dear Sir or Madam:

Please see the attached letter regarding the previously detariffed switchless long distance service of OneLink Communications, Inc. After the November 9, 2011 letter was misplaced in your office, an OPUC representative contacted OneLink a couple of weeks ago and asked that the company e-file another copy of the letter.

OneLink received an email notice on Wednesday, December 21, 2011, that all 2011 case numbers will become void and no filing will be permitted if not filed by 5:30 p.m. on **Friday, December 30, 2011**. OneLink tried to e-file the attached letter today, 12/27/11; however, the online system said the case number was void and no filings could be made.

OneLink respectfully requests that the OPUC accept the attached letter regarding its 2009 tariff withdrawal, place the letter in OneLink's file and close this matter where it regards our company.

If you have any questions, please contact Janet Tripi via email at janet@telecertinc.com. Thank you for your assistance.

Sincerely,

Enrique Martinez
President
