- Direct Energy Services, LLC (02-1829-GA-CRS and 00-1936-EL-CRS)
- Direct Energy Business, LLC (00-1758-EL-CRS)

Gateway Energy Services Corporation continues to serve its existing customers under the Gateway Energy name, and has not made any further changes to its services for said customers. Likewise, the Gateway Energy general phone number (845.503.5100) and toll free customer service number (800.805.8586) remain the same, but any new customer inquiries through inbound channels are being directed to the above named Direct Energy entities. Lastly, no marketing is being done in Ohio under the Gateway Energy name or brand.
