**NOTICE OF WITHDRAWAL OF REQUEST FOR
PROTECTIVE TREATMENT**

Hog Creek Wind Farm, LLC ("Hog Creek") respectfully notifies the Ohio Power Siting Board (the "Board") that it is withdrawing its request for protective treatment of the REpower MM100 safety manual. In its October 26, 2011 motion for protective order, Hog Creek requested, in part, that the Board keep the REpower MM100 turbine safety manual confidential. In its November 28, 2011 orders issued in each of the above-referenced cases, the Board indicated that many of the pages in the REpower MM100 safety manual did not appear to contain trade secret information. The Board then found that Hog Creek should file an amended motion for protective order by December 14, 2011 for the REpower MM100 safety manual specifically identifying the information on each page of the REpower MM100 safety manual that Hog Creek believes should be considered a trade secret. Hog Creek requested and received an extension to January 13, 2012 to file the amended motion. After further consultation with the
