Docketing Case No.: 11-346-EL-SSO

Notes:

This increase of cost of electric is way beyond stupid!!!!! Majority of us have suffer pay freeze for at least 2 years and like my husband had a 15% cut in pay on top of a pay freeze of FIVE years!!!! On top of this gas prices has gone sky high along with food. How the hell we suppose to pay this??? So sure we are somewhat better off than some but heck we struggle. It is time to give you rich supervisor a huge pay cut to better understand where we average people suffer day to day. No wonder why majority of people killing selves along with family just so they don't have to suffer with stress. I'm speaking for myself along with majority of these people.

Please docket the attached in the case number above.
