**Subject:** AEP Increased Distribution Cost to our Business

**Message:** Governor Kasich, In the event you are not aware, AEP has increased it's distribution charges to businesses effective January 2012. The impact to our business is beyond significant increasing in the month of January from \$1,700 to \$6,500. Annualized this could devastate our bottom line to the tune of over \$100,000. We are a small company and cannot absorb this type of increase. Your PUCO agency approved AEP's request somehow justifying a 400% increase. How is this possible? This does not appear to be pro-business. Can you help???? Ken Tumblison President Buckeye Shapeform
