#### COMMENT DESCRIPTION:

I cannot understand why PUCO would grant AEP such a large rate hike to all its customers...I find it hard to believe they deserve this huge of a hike as no other utility has been given this much leeway on their prices. Its hard enough nowadays for the average folks to make it and this HUGE hike is only going to hurt Ohio and Ohions in the near future I feel AEP needs to be accountable to its customers and fi nds way to lower the cost..has this even been suggested to them or looked into??? Very very disapointted in PUCO letting this electric giant get away with this!
