My business cannot afford the rate increase. We will be switching to the City of Columbus electric program as soon as possible due to the rate increase. I own five restaurants in downtown Columbus, all service will be switched due to this rate increase.

**Subject:** AEP/PUCO rate increase

**Message:** I own 6 restaurants in downtown Columbus. The recent PUCO/AEP rate increase means I will be cutting jobs, health care benefits and possibly closing up shop. Our restaurants use refrigeration and air conditioning to ensure safe food holding. There is no way we can shoulder the 40% increase as food cost is at an all time high. It only seems fair that big business be asked to shoulder the increase as well. Please help small businesses!
