ENTRY

The Commission finds:

- (1) On December 1, 2011, Sadie Foster filed a complaint against The Dayton Power and Light Company (DP&L). Ms. Foster alleged that, in September 2010, a tenant illegally moved into property that she owned and began using electricity at that location. Ms. Foster added that by March 30, 2011, when DP&L was unable to collect payment from the tenant, DP&L transferred the charges to Ms. Foster's account. Further, Ms. Foster contended, she provided DP&L with the tenant's Social Security Number and address, but DP&L refused to use this information to pursue the tenant.
- (2) DP&L answered the complaint on December 20, 2011, by denying Ms. Foster's allegations.
- (3) In a January 10, 2012, entry, the attorney examiner scheduled a January 24, 2012, settlement conference.
- (4) On January 23, 2012, counsel for DP&L informed the attorney examiner that the parties had settled the matter.
- (5) The parties filed a notice of settlement and joint motion to dismiss on February 14, 2012. The parties explained that they have resolved all issues regarding the matter and requested that the matter be dismissed with prejudice.
- (6) The Commission finds that the parties' request to dismiss the complaint, with prejudice, is reasonable and should be granted.

It is, therefore,

ORDERED, That the request to dismiss the complaint, with prejudice, is granted.
It is, further,

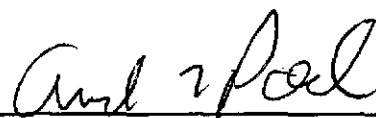

ORDERED, That a copy of this Entry be served upon all parties of record.
