RE: *In the Matter of the Informational Filings Authorized as Part of Duke Energy Ohio, Inc.'s Standard Service Offer*, Case No. 11-6001-EL-RDR

Dear Ms. McNeal:

Pursuant to paragraph VII.J of the stipulation approved by the Public Utilities Commission of Ohio (Commission) in Case No. 11-3549-EL-SSO, *et al.*, Duke Energy Ohio, Inc., is required to true up its Rider LFA (Load Factor Adjustment) on a quarterly basis, in order to maintain net revenue neutrality. A Commission entry in that proceeding, issued on December 14, 2011, ordered true-up filings to be made in Case No. 11-6001-EL-RDR.

Duke Energy Ohio is proposing to keep the same Load Factor Adjustment rate in effect for the second quarter of 2012. The new rates have been in effect only since January 1, 2012. Therefore, there is no quarterly data available to provide support for a true up of these rates and there will be no current changes to Tariff Sheet No. 114, Rider LFA.

Please do not hesitate to contact me if you have questions.

Very truly yours,

Kelly Berg
