Dear Ms. McCauley:

On February 28, 2012 AEP Ohio¹ filed submitted a compliance filing that implemented the *ESP I* rates and tariffs, including two rate zones to reflect the pre-merger service territories of Ohio Power and Columbus Southern Power.

Upon review a tariff referenced in the cover letter did not have the corresponding Environmental Investment Carrying Cost Rider tariff attached to the filing. Those documents are attached here. Exhibit A is a redlined copy of the tariff and Exhibit B is a clean copy of the final tariff. Again, upon receiving Commission approval, the rates and tariffs will become effective and implemented by AEP Ohio. Please advise if you have any questions or concerns regarding the compliance tariffs.

Best Regards,

//ss/ Matthew J. Satterwhite

¹ In accordance with the Commission's approval of the merger between Ohio Power Company and Columbus Power Company, a Certificate of Merger was executed effective at the end of 2011, such that Columbus Southern Power Company is merged into Ohio Power Company (the surviving entity is referred to herein as "AEP Ohio").

CERTIFICATE OF SERVICE

I hereby certify that a copy of the Letter, Compliance Tariffs and
Workpapers was served by electronic mail upon individuals listed below this 1st day
