The attorney examiner finds:

- (1) On February 3, 2012, the attorney examiner issued an entry scheduling a March 22, 2012, hearing in the above cases.
- (2) On March 20, 2012, staff filed a motion for a continuance of the hearing date. In the motion, staff explains that the parties are continuing to work on the details of a written settlement agreement, and they will file the agreement after all details are finalized. With this in mind, staff requests that the hearing be continued to a later date.
- (3) The attorney examiner finds staff's motion for a continuance to be reasonable. Accordingly, a continuance is granted until a date to be determined in a future entry.

It is, therefore,
