Your current PRICE TO COMPARE for generation and transmission from The Eluminating Company is fisted below. For you to save, a supplier's price must be lower. To obtain an "Applies to Applies" comparison of available comparison of available competitive electric supplier offers, visit the PLICO with other comparison.

Your next meter reading is scheduled for Jan 30, 2012.

Under State law, the amount you are being billed includes: (1) Kilowatthour taxes that have been in effect since 2001 and are currently at \$4.66 and (2) Assessments to assist in the support of the operations of the PUCO and the office of the consumers' counsel that have been in affect since 1912 and 1977, respectively.

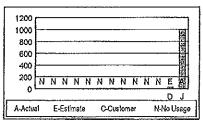

Spring's warm weather often produces thunderstorms, which can cause service interruption. If you see a downed power fine, immediately call us or your local police or fire department. For your safety, please stay away from downed power lines or anything they are fourthing.

Your new, redesigned bill provides the information you need in a format that's easier to read and understand. For more information, please call 1-800-589-3101.
