Mr. Gary L. Estep  
Project Manager  
NiSource Engineering Services  
1600 Dublin Road  
Columbus, OH 43215

RE: Commencement of Construction  
Ackerman Road Natural Gas Pipeline Project  
Case No.: 11-3534-GA-BTX

Dear Mr. Estep:

Staff attended your April 3, 2010, pre-construction conference for the above-referenced project. At the conference, construction-related issues were satisfactorily addressed. In addition, Staff has reviewed and accepted the Storm Water Pollution Prevention Plan; Spill Prevention, Control and Counter Measure Plan; Frac-Out Contingency Plan; Complaint Resolution Plan; Tree Clearing and Restoration Plan; and the Traffic Plan. In addition, Staff has reviewed and accepted the final Construction Drawings.

Commencement of construction is authorized for the project. OPSB Staff has reviewed and accepted the draft Clinton Como Park Restoration Plan Agreement. Any changes made prior to execution of the Clinton Como Park Restoration Plan Agreement must be reviewed and accepted by OPSB Staff before commencing construction in Clinton Como Park. Please notify the Board when construction is completed and when the facility is placed into service.

Very truly yours,

Klaus Lambeck, Chief  
Facilities, Siting & Environmental Analysis Division  
Ohio Power Siting Board
