Docketing Case No.: 11-346-EL-SSO

Notes:

Dear PUCO, You are at this time considering a rate increase for AEP. I would like you to know that when you okayed the rate increase for one month, my electric bill doubled. That is more than is suggested in the article on your web page. During this time when most people are struggling to pay their bills and buy food any increase should not be allowed. I can not afford to pay a bill that is going to double and I know other people feel the same way. I ask that you give serious thought to the people who are on fixed income or working at a minimum wage jobs before you grant the Electric Companies any increase in rates.

Thank You, Theresa Calvert
