RE: Original CRS Case Number: 02-1506-GA-CRS

Dear Docketing Division:

Integrys Energy Services, Inc. holds Certificate No. 02-003(G)(5) from the Commission which authorizes it to provide competitive retail natural gas services in Ohio through August 3, 2012. Integrys Energy Services, Inc. no longer serves any customers in Ohio as its former customers in Ohio are being served by Integrys Energy Services—Natural Gas, LLC which has a certificate in its own name (Certificate No. 10-186(G)(2)). Because no customers will be affected and because there is no need to transfer any certificate, Integrys Energy Services, Inc. notifies the Commission that it does not plan to file a renewal application but rather intends to allow Certificate No. 02-003(G)(5) to expire on August 3, 2012. Integrys Energy Services, Inc. will subsequently file a final Annual Report with the Commission for calendar year 2012 and asks the Commission to remove its name from the rolls of a competitive retail natural gas marketer in Ohio at the close of business as of August 3, 2012. Integrys Energy Services, Inc. fully understands that after August 3, 2012, it will no longer be authorized to provide competitive retail natural gas service in Ohio.

Should you have any questions, please contact me at 312-681-1855 or via email at [AKlaviter@integrysenergy.com](mailto:AKlaviter@integrysenergy.com).

Sincerely,

Amy Klaviter
