☒ **YES**

I would like to pay more for electricity by agreeing with AEP's scheme to lock me into a high rate.

☐ **NO**

That's absurd!

Yes! I will continue to support our well-run & trustworthy utility company over a greedy competitor that spends millions of dollars of ~~our~~ its clients' money publishing filthy attack ads! First Energy, nobody likes you!

*AEP is a  
trusted and proven  
company for  
electric service and  
not an unknown  
company. We got  
stuck in a bad deal  
with an unknown  
gas provider and  
sure did learn  
a valuable  
lesson!*

AEP wants to raise your electricity rates and restrict your ability to choose another supplier, and that could lead to job losses in Ohio. So, if you enjoy paying more for electricity, go ahead and choose yes. But, if you want lower rates and more choices, voice your concerns at:
