*Heck No!!! Are you Crazy?  
You don't do 1/2 the thing you are supposed to do.*

AEP wants to raise your electricity rates and restrict your ability to choose another supplier, and that could lead to job losses in Ohio. So, if you enjoy paying more for electricity, go ahead and choose yes. But, if you want lower rates and more choices, voice your concerns at:

**ForElectricSavings.com**

*Do you want to Robb the poor  
to Help the already Rich?*
