### DESCRIPTION OF FILING

This filing is in accordance with the Commission's Finding and Order issued on May 23, 2012 in Case No. 10-2377-TP-COI and makes all necessary tariff revisions in order to comply with the FCC's Lifeline Reform Order and all applicable Ohio law, including the Commission's rules and orders. These revisions remove all references to the Link-Up program, as Link Up support was eliminated on non-tribal lands and include additional language regarding the amended FCC rules requiring that all Lifeline applicants present documentation of Lifeline eligibility before they may receive Lifeline benefits.

## EXHIBIT D

### CUSTOMER NOTICE

Customer notice is not required because prices/discounts are not changing at this time and the changes to the Lifeline provisions do not directly impact existing subscribers. The revised terms and conditions primarily change requirements for consumers wanting to enroll in Lifeline. Potential applicants and subscribers will be informed of the eligibility requirements to enroll in the Lifeline program at the time of enrollment. Lifeline subscribers will be informed and notified of the requirements to recertify ongoing eligibility for Lifeline at the time of recertification.
