**COMMENT DESCRIPTION:**

Please see to it that AEP does not get the increases that they are seeking.  
They are totally unfair and are another additional encumbrance to the retired  
and others.

Docketing Case No.: 11-346-EL-SSO

Notes:

I have been a leader in the financial/ banking industry in Ohio for over 20 years. The rate increases approved by YOUR board will force significant business closure and loss of job throughout our state. You are CLEARLY not putting the best interests of all Ohioians first as is one of the purposes of your organization. AEP is CLEARLY a monopoly and is dictating policy to your board. To state or believe otherwise is ridiculous. This is a slap in the face to all working Ohioians.
