Re: PUCO Case No. 11-206-GA-GCR, *In the Matter of the Regulation of the Purchased Gas Adjustment Clause Contained Within the Rate Schedules of Brainard Gas Corporation*

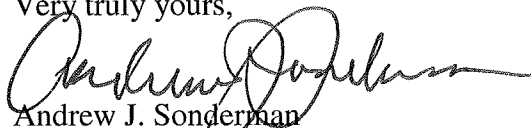

Dear Secretary:

Through an auto-formatting error, the correct heading for Argument Point II (A) (3) was not included in the Table of Contents of the Initial Brief of Brainard Gas Corporation filed with the Commission on May 18, 2012.

Please note that the correct heading for Argument Point II (A) (3) appears on page 10 of the Initial Brief as follows:

3. The Company has submitted competent and persuasive evidence that there is no rational basis for Staff to exclude consideration of the measurement problems that Excalibur Production experienced on two production wells delivering directly into BGC's system during the audit period.

Very truly yours,

  
Andrew J. Sonderman  
Counsel for Brainard Gas Corporation
