Commission staff have verified that the warning device relocation approved under Case No. 11-5436-RR-RCP, Norfolk Southern Railway, has been completed.

Staff of the Ohio Rail Development Commission have completed the final inspection of the warning device upgrades ordered under Case No. 10-655-RR-FED, Wheeling & Lake Erie Railway.

Staff requests that the Docketing Division close both of these cases.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
