CASE NO. 12-0314-GA-UEx

REVISED APPLICATION

After discussion with the Commission Staff concerning Pike Natural Gas Company's (Pike) request for a change in its UEX Rider to a rate of \$0.00128 per Ccf, Pike agrees that a rate of \$0.00000 per Ccf is appropriate. While Pike believes that its proposed rate is supported by the data provided, the amount, which would be collected, is minimal.

Therefore, Pike is amending its requested rate to \$0.00000 per Ccf and has attached new proposed tariff sheets reflecting this change.
