COMMENT DESCRIPTION:

I want to take issue with the Illuminating co. seeking to raise distribution rates after already raising cost recovery etc. rates on my account. I have an all electric home, and have been trying to get back to my old rates for 3 years. We have been greatly overcharged in the last few years, and then arbitrarily switched without my consent to a co-op plan...Getting that reversed cost a lot! Enough is enough !! I recently changed generation to Duke, but now CEI wants to offset any gen. savings with unjustified distribution increases .....STOP IT!!! Ross E Barth
