I NEVER RECEIVED MAIL FROM CEI ON HIGHER RATE PROPOSAL IN 2009. WAS EXTREMELY COLD WINTER HERE. WASN'T FUN - WITH THE EXTRA ELECTRIC EXPENSE.

Subject: a few concerns \$\$\$

We have an all electric house. We purchased our home with the understanding that we would receive a lower electric rate, because the house is completely electric. However I have heard about the plans to raise electric rates over the next few years and remove any and all discounts to all electric homes. This can't be. Please tell me this is not going to happen.
